Albuquerque Country Club Women's Golf Association

New Member Information

On behalf of the Women's Golf association, we invite you to join our golfing community. The WGA is primarily a social organization designed to provide an opportunity for women to meet one another in an informal setting. While our functions revolve around golf most of the time, golf is simply the platform that allows us to get together for fun and friendly conversation. Many of our members have developed lifelong meaningful relationships with other members through our activities.

Whatever your golf skill level may be, you will find WGA members at the same level. Our members have handicaps from 8 – 44! We have many very good golfers who love to compete in our tournaments and other regional tournaments and we have beginners who are enjoying the game for the first time. We also have players of all skill levels in between.

We also have a Social membership for the ladies who do not play golf but would like to attend some of our events.

We schedule weekly play days from March through November on Tuesday mornings for 9 and 18 hole groups. Each month there is an organized event or tournament with a variety of formats. On Saturdays, our ladies play informally without tee times starting at 10:30am. From May through August we host Nine at 5 (Nine holes starting at 5pm). Monthly, on the 3rd Tuesday, we have a fun golfing event followed by brunch or lunch and our monthly meeting.

Give our organization a try. We think you will like us.

Annual dues are \$60 for golf members and \$30 for non-golfing social members.
